LAS VEGAS ARCHERS

The Las Vegas Archers maintain a NFAA certified archery range with two 28-target courses, one 20-animal 3D target course and one Broadhead & sign-in area in the Mountain Springs area. The club averages 20 shoots a year including NFAA class rounds, Novelty shoots and un-marked 3-D rounds. The range is open to members and member's guest year around. The range is open to the public during organized shoots only. In addition, as a member you are entitled to the use of the LVA Club house, restrooms/porta-potties, refrigerators, RV spaces with electrical hook-up (no water or sewer) and tent or un-improved camping areas with an incredible VIEW!

AS A LAS VEGAS ARCHER MEMBER

Members of LVA are expected to promote and enjoy the sport of archery. You will also be asked to support your club whenever possible, by keeping your dues current, attending membership meetings, scheduled work parties and enjoy the shoot schedule. You are expected to volunteer with shoot setups and or tardowns, and help with the LVA Silver Dollar Annual Tournament. This is a two-day tournament that helps the LVA maintain some of the **LOWEST** yearly dues in the country.

Note: Club Participation Points Program (CPP Program) is in addition to yearly dues. Each membership is responsible for 12 points through the membership year. **EXCEPTIONS: Prorated for new members. Individual members under 18 or over 62 years of age are exempt.** Points are subtracted from the membership for participation in LVA events such as work parties and membership meetings. Points remaining at the **end** of the membership year will have a value of \$10.00 each and **must** be paid in full before the next year's membership will be granted. Consult LVA By-Laws for additional information.

I have read and agree with the above. I also agree to abide with the decisions made by the Board of Las Vegas Archers and/or the membership body for the betterment of Las Vegas Archers.
