New Business:

- The range has been winterized so DO NOT change the thermostats.
- John advised that he is going to the NBHA meeting Dec 3rd and 4th so any changes for the state outdoor need to be presented to him prior. The prior date that was given wont work since it is a week before Redding and no one would come to our shoot. He suggests we hold it in October. NBHA will provide 180 targets for the shoot and the split is 50/50 with the extra dollar going to LVA. They had been trying to reach out to Jim with no response, LVA email and phone number were provided to John to share with them. John advised that if we can stick to October the bid should be ours.
